Subject Letter No. 4964/332 dt 21.2.1903, from the Excise Commissioner in Mysore, Soliciting Sanction to the grant of rewards to certain Subordinates of the Excise Dept for having detected certain Cases of Illicit distillation.

Two cases of illicit distillation of arrack are reported to have ended in conviction in the Court of the Magistrate at Kolar Gold Fields as a result of the Excise Inspector Mr Rozario's skill and vigilance in detecting them, and it is proposed to reward him and the others who brought about the conviction of the Culprits.

The two instances in which Mr Rozario's action is commended as deserving of reward are :-

A. (1) Detection of illicit distillation of arrack near Doddadanavakki Malur Tk on 6.11.1902.

B. (2) Detection of illicit distillation in the Bowringpet Range

In regard to the first case the Excise Divisional Officer and the Dy Comr Kolar Dt recommend a reward of Rs100/- to the Excise Inspector and rewards to an aggregate sum of Rs155/- to the other Subordinates of the Deptt that aided the detection.

In the second case (B. case no 12) the Magistrate imposed a fine of Rs 200/- on the culprits and recommended Mr Rozario for a reward of Rs 100/- and Asstt Excise Inspector Muniyan for Rs. 25/-

The Excise Comm^r approving the recommendations, submits the following proposals for sanction under rules 14. & 18. published with Govt^t no 167 Ex 21-91 dt 29.9.1902, :—

(1) To grant Excise Inspector Mr Rozario a gold medal of the value of Rs 150/- instead of Rs 150/- instead of Rs 100 + Rs 100 as recommended by the Dy Comr and the Magistrate. K. G. Z. (Draft engraving enclosed to his letter).

(2) To grant rewards aggregating to Rs 157/- to the Abkari Subordinates of the Excise Deptt and the informants who led to the detection of the Case No 1. A.

3 Rewards amounting to Rs 35/- (exclusive of Mr Rozario's share) to those connected with Case no 2. B.

4. Fees for Rs 111/- being the cost of expenses incurred in the detection of Case ~~of~~ No 1. A.

The Excise Commr observes that "the detection of the cases of illicit distillation has, in a measure, contributed to the increase" of additional revenue under Excise amounting to Rs 38,268.

Subd with a draft for approval.

29/8/03.

On the draft the Asst Secretary in charge observed thus:

"Please check the proposals with the "rules; and see in what cases alone sanction is necessary

with regard to bill of cost, we have "absolutely no particulars to judge whether "it is reasonable."

Are there any rules on the subject

30/ D.M.

The following explanation was submitted

" As per Notfn no 167 Ex 21-95 dy 29.9.1902
" the Excise Commr is empowered to award
" rewards etc " to an aggregate amount
" not exceeding Rs 100/- " in each case but
" since the present proposals (vide the bills and
" the Office note) exceed that amount, fort
" Sanction has been solicited.

" The proposal no 3. falls within the purview
" of the Excise Commr's sphere of sanction.
" but it seems to have been submitted
" for the sanction of fort as it forms
" a part of the whole which it involves

" Please ~~see~~ see Rules 3, 4. & 16 under
" Notfn no 167 Ex 21-95 dy 29.9.1902; beside these
" there seem to be no further rules.

" As 54 have been advanced and 57 ask
" for due to the informants and others. Thus
" Sanction for a bill of Rs 111/- is solicited
" under " Secret Service". The nature of the service
" precludes the possibility of getting more details
" than what is affirmed on "the honor" of the
" Agencies - vide the bill.

Further on it was ordered thus
" See R 15 - were the convictions appealed
against? What result.

Upon this the information was called for ~~with the result that it is reported~~ and it is reported that the convictions were not appealed against.

The Excise Comm^r in his letter No 5769/204 dt 15.12.03 requests the return of the design of the medal proposed to be awarded to Excise Inspector Mr Rozario.

In it is not found the insertion of the term either "Mysore" or "the Govt of His Highness the Maharaja of Mysore". nor the date of the good service rendered is specifically mentioned. The "Excise Inspector" on one side of the medal and "Excise deptt" on the other side of it deserve to be revised by pencil marking.

In a former instance while awarding a gold medal to one Dyavappa, of Shikarpur the Excise Comm^r was demi-officially directed to prefix "Mysore" before the "Excise deptt". in engraving the medal.

A draft suggesting the insertion of "the Govt of His Highness the Maharaja of Mysore" over the Coat of arms of the Mysore Royal House. is submitted for approval.

Sir,

In submitting herewith copy of the marginally-noted correspondence, I have the honor to state that illicit distillation is extensively carried on in the Shikarpur and Sorab talukas, more especially in frontier villages, to the great loss of arrack revenue. Dyavappa, who is an influential Patel in the Shikarpur taluk, has taken up violent farmers in both the above talukas. It being therefore also his interest to suppress illicit distillation, he was encouraged to help Excise Officials in detecting it

information and means of detection. He
willingly cooperated and exerted himself
in the matter, the result being that seven
Cases of illicit distillation in the Sorab
taluk and sixteen cases in the Shikarpur
taluk, have been successfully detected and
the offenders brought to justice. I beg to
recommend that in view of further encour-
agement to Dyavappa, a gold medal may

Sir,

In submitting herewith copies of the marginally noted correspondence, &c, I have the honor to state that since receiving Mr. Carr's recommendation dated 25th December 902, on behalf of Mr. Rozario, Excise Inspector, on the successful result of the Doddadanavahalli illicit distillation case shown in the accompanying Statement A, the result of case No. 12 in the accompanying Statement B, in which more daring and desperate characters were concerned, the chief of whom had escaped and was evading arrest for 2 months, and which was disposed of by the Kolar Gold Fields Magistrate on the 16th instant, has been received. In this case the Magistrate has recommended a reward of Rs. 100/- for Mr. Rozario, Excise Inspector, and Rs. 25/ for Muniyappa, Assistant Inspector. Altogether rewards amounting to Rs. 200/- have been recommended for Mr. Rozario. Instead of money rewards, I propose to give him a gold

medal of the value of Rs. 150/- and to give money rewards to other officials. Accordingly under Rules (4) and (18) in Government Notification No. 167-2 F.F. 21-25, dated 29th September 1902, I beg to solicit sanction to the following items:—

(1) A gold medal of the value of Rs. 150/- to be prepared according to the accompanying design, and awarded to Mr. Rozario,

(2) Rewards amounting to Rs. 155/- as per accompanying Statement A to be granted to the officials therein mentioned for their services in the Doddadanavahalli case.

(3) A reward of Rs. 25/- to Assistant Inspector Muniraju in case No. 12 of Kondatimmanapalli, and a reward of Rs. 10/- to Tree marker Ramarao.

(4) The accompanying Bill C amounting to Rs. 111/- being the cost incurred in Doddadanavahalli case for Secret Service, &c.

2. Arrack consumption in the Kolar Gold Fields has increased by 8048 gallons upto 17th February 1903, in spite of the opening of country Beer Taverns and the reduction in the number of laborers employed on the mines owing to the Cauvery power scheme. The detection of the above important cases of illicit distillation has, in a measure, contributed to this increase, though the fixed retail price at two annas per dram and prosperity of the season have also contributed to it.

Order :- 4256 / Ex 7195 dt 25/11/03.

1. In the papers read above, the Excise Commissioner brings to notice the good work done by Mr. Rozario, Excise Inspector and certain other officials of the Depatt. in the detection of two flagrant and serious cases of illicit distillation of arrack in the Malur and in Bowringpet Talugs, both of which ended in the conviction and punishment of the accused persons.

In the first case which took place at Doddadanavahalli

Excise Inspector Mr. Rozario
on getting private information
of illicit distillation of arrack
promptly organized a party
and in the middle of the
night on the 6th November 1902
caught the culprits redhanded
in the very act of distillation
in an isolated hut at
some distance from the
village. In the second
case which took place
at Kondatteinmankulli..
Hospete in the Bowringpet
Taluq in which more daring
and desperate characters
were concerned, Mr. Rozario
was equally prompt
and seized the culprits
while they were engaged
in actually manufacturing
the arrack. The Chief culprit
Hyder Sab who absconded
at the time was ultimately
arrested and was also
punished. These villages
being near to the adjoining
British territory seemed
to have afforded considerable
facilities to the Spirits

2/- to carry on their illegal trade without exciting suspicion.

2. The Government note the creditable work done by the Excise Inspector and the others associated with him and have much pleasure in sanctioning the recommendations of the Excise Commissioner as below under rules 4 and 18 of Govt notifn Ro 167 Ex: 21-95 dated 29.9.1902.

Ro 167 dated 29.9.1902:-
Ex: 21-95

1. The grant to Mr. Rozario of a gold medal of the Value of Rs 150/-

2. Rewards amounting to Rs 155 in the aggregate to the other subordinates of the Excise Department and informants that helped in the detection of the first of the cases referred to, as mentioned in the list submitted by the Excise Commr.

3. A reward of Rs 25/- to Asst Inspector Munirazu and of Rs 10 to tree marker Ramarao in connection with the detection of the second case.

4. Rs 111 towards expenses

incurred in the detection of the first case.

3. The total cost viz Rs 451/- will be debited to the provision of Rs 2500/- against "Secret service and rewards" under the head of "Supplies and services" in the current year's Excise Budget.
